An Invitation to Be Part of Something Bigger

We're not just hosting events—we're creating consistent spaces for connection, storytelling, and prevention in our community.

RISE TOGETHER Day is our annual anniversary fundraiser and flagship event, bringing together live music, spoken word, and real conversations for a night of connection, art, and advocacy.

Now in its 13th year, this event reflects the heart of our work—creating spaces where people feel seen, heard, and supported.
